2005 HAVA EXPENDITURE REPORT FOR THE STATE OF GEORGIA

In compliance with Title I Section 101 of the Help America Vote Act (HAVA) the State of Georgia submits the following report for the fiscal year 2005, which includes the amount of expenditures for Title I and Title II. This report reflects expenditures for the period beginning January 1, 2005 through December 31, 2005. These expenditures are consistent with the proposed use of the HAVA funds as set forth in the State of Georgia HAVA Plan filed with the Election Assistance Commission and as allowed by the Title I and Title II provisions of HAVA.

Title I Section 101(b) Expenditures.

A. Voting System Improvement Sec. 101(b)(1)(F)

- (1) The Secretary of State used Section 101 funds to acquire additional DRE voting units for each county to increase the ratio of voting units to voters on Election Day. The counties were encouraged to use one of the additional voting units for in person absentee voting during the 45-day absentee voting period.
- (2) In further support of voting system improvement, the State of Georgia purchased electronic poll books (ExpressPolls) an enhancement to the DRE voting system, which encompasses features for added efficiency to the current voter registration system. The electronic poll book replaces the existing encoder component necessary for accessing election ballots on the DRE voting system. The electronic poll books will be utilized in every precinct for the upcoming 2006 General Primary and General Election.

The amount of Title I Section 101 funds expended for additional voting units and the electronic pollbooks for the improvement of voting system efficiency totaled \$1,052,126.33.

B. Election Administration Improvement Support. Sec. 101(b)(1)(F)

(1) The State of Georgia expanded the availability and scope of the current services offered by the Center for Election Systems at Kennesaw State University Center. The Center's mission has broadened since the implementation of Georgia's statewide uniform voting system to include not only acceptance testing but also evaluation, training, support, ballot building, and overall security for all aspects of the voting system.

The amount of Title I Section 101 funds expended for this expansion of services for the improvement of election administration totaled \$83,000.

(2) The State of Georgia offered and conducted regional training for the 159 Georgia Election superintendents and their staff on the use of the DRE voting units, HAVA requirements and additional federal laws for improvement of election

administration in the State of Georgia. These training sessions were held in four regional locations and included education and training materials for each county.

The amount of Title I Section 101 funds expended for the training classes designed to improve election administration totaled \$3,369.60.

C. Administrative Expenditures - - State Audit Function

The State of Georgia incurred an audit expense in the amount of \$11,265.43. This expenditure was paid to the Department of State Audits of the State of Georgia for the 2005 fiscal year end audit of the State HAVA Fund.
